Three Facts Every Teamster Should Know

1. Three members of the Durham Slate have been charged with corruption, kickbacks and mafia ties. R.V. Durham faces civil charges for lying about Ron Carey.

2. The R.V. Durham Slate is supported by the same Old Guard Leaders who are destroying our union. They have contributed more than $400,000 to support R.V. Durham's campaign.

3. R.V. Durham pays himself two salaries totalling $160,000 per year. And his wife and son are on the Teamster payroll.

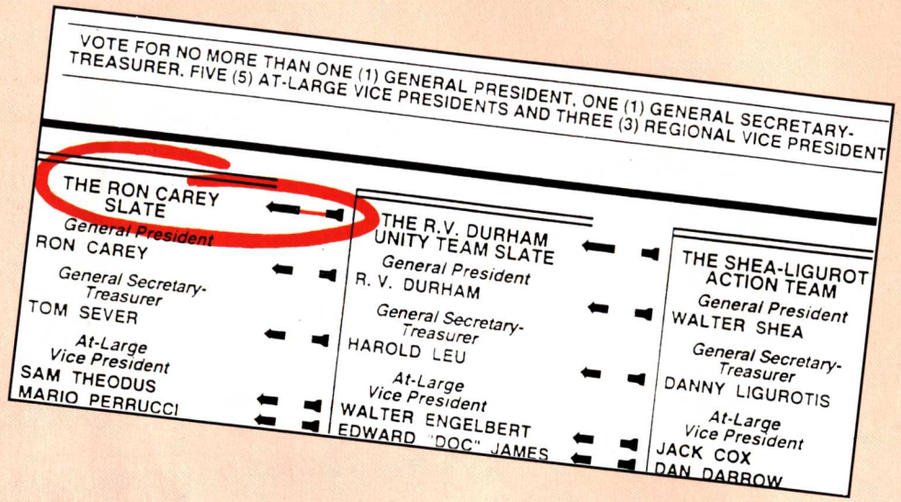
Guess Who Runs The Teamster Union?

You Can Vote By Mail To Change Our Union!



Corruption. Employer kickbacks. Mafia deals. For years, you've watched the Teamster Big Shots get rich while you picked up the tab!

But now it's *your turn* to call the shots.

For the first time in history, you and other Teamsters can vote by *secret ballot* for the President and officers of this union.

Every member of the Teamsters will receive in the mail a ballot to elect the President and other officers of our union.

Your vote will be secret. You will mail it to Washington, D.C. where it will be counted by a court-appointed official in a free and fair election process.

Ron Carey Is Your Vote for Change!

In this election, Teamsters have one chance for change.

Ron Carey and his slate are fighting back against the Old Guard "Unity" team that has run our union into the ground.

When elected, the Carey Team will clean house with a program that will benefit every Teamster member.

The Carey Promise

Ron Carey is fighting to give our union back to working Teamsters like you. His slate is the only slate that includes working Teamsters.

And he'll clean out the Headquarters Big Shots who have been getting rich on our dues money. Here is his promise.

1. Throw Out The Mafia

"It is time to clean house at Teamster Headquarters. Mail in your vote for me. I will throw out the mob and end the corruption that is ruining our union."

2. Better Pensions

"As President of my Local 804, I negotiated the first 25 years-and-out pension plan for my members in **1968**! Today, a member of my local can retire at any age after 25 years on $1,500 per month. I'll fight for better benefits for every Teamster."

3. Better Health Care

"I will make better health benefits and national health care a top priority."

4. Stop Corruption

"We don't have to apologize for being Teamsters. Any Teamster official who breaks the law will be thrown out of this union."
